## TO WHOM IT MAY CONCERN

Dear Sir

### RE: Letter of Reference for Mr. Rick Sagayadan

On behalf of the Okanagan Nation Alliance we lend our full support to Mr. Sagayadan in his business and professional pursuits in Multi-media productions.

I have personally known Rick for over 20 years and worked with him in a professional capacity when I was a Band Councillor for the Lower Similkameen Indian Band for 10 years and in my present capacity as Executive Director for the last 5 years.

I have witnessed his work on numerous occasions and have had opportunity to engage his services for a number of our Nation events. These productions over the years have included our Okanagan Nation Declaration Gathering, the Okanagan Nation Alliance Annual General Membership meetings, our annual Salmon Feast and Celebration, Unity Ride and Canoe Trek and many other activities and events throughout the Nation. Rick has always demonstrated his utmost respect for our culture, traditions and community protocols. Rick's professional conduct is highly respected amongst our community members and leaders. His products are of very high quality particularly when his natural talent and skills surface in his work when he is able to capture the essence and spirit of any event he is recording and coordinating.

We have always been very pleased with Rick's work in multi-media productions and would not hesitate to consider hiring his services for any of our future events or projects for this purpose. Please do not hesitate to contact our office if more information is required.

Sincerely,

OKANAGAN NATION ALLIANCE

Pauline Terbasket,  
Executive Director
